Office of Health Care Quality • DDTaskForce

Task Force on the Quality of Services for Individuals with Developmental Disabilities (DD)

The Task Force is charged with continuing to explore improvements to the oversight of DDA licensed services. It is essential that everyone's voice is heard in this process—individuals with intellectual and developmental disabilities, family members, friends, advocates, providers, associations, government agencies, and other stakeholders. The task force will deliver recommendations in January 2015.
